

The City of Breezy Point invites you to visit the city park located at city hall. The park is complete with playground, basketball, softball, volleyball, small and large pavilions, restrooms and more. Reserve the Pavilion for those special events (birthday parties, reunions, etc.). Registration form is available below. There is also a smaller neighborhood park is located on Breezy Point Blvd.

A public swimming beach is open on Sand Beach Drive. Comfortable benches were added for your beach and "sunset" viewing pleasure. There are restroom facilities available on-site. Help keep the beach area clean for the next visitors, it's appreciated.

The City also maintains a public boat access off North Drive in Breezy (Nelson) Bay. **Please Help Keep Pelican Lake Clean of AQUATIC INVASIVE SPECIES!** See link below for ways you can make a difference.

PAUL BUNYAN WAS HERE! Make sure to check out the huge footprints he left on his way to the Crosslake area. Has anyone seen Babe, the Blue Ox? There are continued sightings being called in to City Hall so please keep your eyes open...
